SINOSSI

the past and the present collide as two sisters try to reconcile with their long-lost half brother. But can he ever forgive their father for abandoning him all those years ago?

Directors Statement

This is a story about regret and reconciliation, told through a family in crisis. We wanted to use the theme of the circle of life to express the bittersweet nature of memory and life events, from birth to death, with different generations destined to repeat the mistakes of the past.

BIOGRAFIA DEL REGISTA
